

Making a difference Leah Lee-DON

I started my healthcare career in 2006 when I became a CNA at the Twin Valley Living Center. I worked as a CNA for 3.5 years before going to nursing school. I graduated in 2012 with my RN degree. I worked as a med cart nurse, MDS coordinator, RN Case Manager and DON. In 2018, after Twin Valley closed, I became the DON at Halstad Living Center. I love listening to the residents' stories and past history. I have been married for 14 years to Chris. We have a daughter Trista, who just completed her first year at MSUM. We also have 3 labs, Oaklee, Tilly & Quinn, 1 ferret and 2 ducks. In my spare time I enjoy 4 wheeling, fishing and going to the lake.
